**CIRCULAR**

I am by direction to inform that Nagoya Institute of Technology, Japan has invited application for International Graduate Program for Global Engineers 2017 from eligible graduate students. The respective brochure and application form are uploaded in the University Website under the icon "Academic-Centre for International Affairs". The last date for submission of application is 13-01-2017. Hence I request the concerned Heads of the Departments to encourage the students to apply for the program. Interested students can contact the Director, Centre for International Affairs of the University for further assistance in this regard.
