**Manonmaniam Sundaranar University**

The university was established by the Government of Tamil Nadu as a teaching cum affiliating University on 7th September,1990 to cater to the long-felt needs of the people of three southern most districts of Tamil Nadu viz.,Tirunelveli,Tuticorin and kanyakumari .It is named after the renowned Tamil poet scholar ,Professor P.Sundaram Pillai (1885-1897) ,the author of the famous verse drama Manonmaniam .It is his poem that has become "Tamil Thai Vaazhthu" the official invocation song sung in all functions in Tamil Nadu. The motto of the University is "Reaching the Unreached". More then 3000 students are studying in various departments of in this institution directly. The main focus of the university is to produce individuals who have the expertise and intellectual curiosity to make a difference in their profession and society and in conducting the research needed to meet the challenges facing the contemporary world.

**Manonmaniam Sundaranar University Library**

Manonmaniam Sundaranar University Library was established in the year 1990 and it has been upgraded to more digitalized version to be in synchronization with current trends of e-content .There are more than 4100 research thesis's available for research reference and more than 1.5 lakhs of e-books are available which helps the researchers, scholars and students .Now as the technology has improved ,there is a provision in the library to read the journals in various disciplines published by colleges / universities across the globe.

The Library is uploading the awarded PhD thesis's from our end to the INFLIPNET under "Shodhganga" project .In this university there is a provision to know how many users are referring them .The students can access the library from their place of stay with the help of remote access method using the secret password .The library campus is also connected with Wi-Fi facility .There are three specially designed computer systems with special facilities that help the visually impaired students to avail the content without any difficulty.

**About the workshop...**

The workshop is mainly intended to help the budding researchers in the field of Arts, Science and Social Sciences .Hence; the following are main objectives of the present workshop:

- The enhancement of the writing skills of the research personals.
- The augmentation of the quality and productive publications in refereed Journals.
- The amplification of the knowledge of the participants to go in search of reputed and genuine sites, where they can publish their articles without any strain.
- The embellishment of one's original and unique ideas.

**It also helps...**

1. To understand the basic norms of publishing papers scientifically in science and technological journals.
2. To discuss Scientometrics / Altmetrics tools and its role to motivate faculty and students to publish their research papers.
3. To understand various reference style using Mendeley.
4. To develop and understand the H-index, G-index and impact factors.
5. To discuss the issues related to anti-plagiarism (uses through URKUND).
6. To be aware of indexed and non-indexed journals in order to publish scientific papers.

**Target Participants**

1. Faculty Members
2. Research Supervisors
3. Research Scholars: M.Phil, & Ph.D
4. PG & UG Students
