# Learning Outcomes based Curriculum Framework (LOCF) for Post-Graduate Programme

Name of the Programme

# **M.COM (ACCOUNTING AND FINANCE)**

(Syllabus with effect from 2022 admission)

MANONMANIAM SUNDARANAR UNIVERSITY DEPARTMENT OF COMMERCE Choice Based Credit System (CBCS)

2022

# (Revised curriculum for the M.Com Degree Program those who joined the Program from the academic year 2022-2023 onwards)

## Vision of the University

To provide quality education to reach the un-reached

# **Mission of the University**

- To conduct research, teaching and outreach programmes to improve conditions of human living.
- To create an academic environment that honours women and men of all races, caste, creed, cultures and an atmosphere that values intellectual curiosity, pursuit of knowledge, academic freedom and integrity.
- To offer a wide variety of off-campus educational and training programs, including the use of information technology, to individual and groups.
- To develop partnership with industries and governments so as to improve the quality of the workplace and to serve as catalyst for economic and cultural development
- To provide quality/ inclusive education, especially for the rural and unreached segments of economically downtrodden students including women, socially oppressed and differently abled.

# Vision of the Department

"Creating values based on corporate leaders and Dynamic Entrepreneurs".

# **Mission of the Department**

- To provide Quality Education in the field of Commerce, especially for the rural and the Unreached.
- To imbibe Moral, Social and Ethical values of life in the minds of young Commerce Aspirants.
- To promote leadership Qualities and to develop Entrepreneurial skills among the students.
- ✤ To invent innovations in teaching, Research and in extension Activities.
- To equip students with requisite skills for self- Actualization and Employment.

#### PREAMPLE

The Department of Commerce was launched 2006-2007 with the objectives of providing quality education in the field of Commerce and its related areas of research. The Department is accomplished with various research and development by taking up research and consultancy activities from various funding agencies like UGC, ICSSR, ICAR, Ministry of Health and Family Welfare, State Planning Commission, Government of Tamil Nadu for economic development of this region. The department is also enriched by the expertise lectures offered by distinguished professors from various nationally reputed institutions. At present, department offers five academic programmes. 1. M.Com (Accounting and Finance)

- 2. M.Com
- 3. M.Com (Integrated)
- 4. M.Phil
- 5. Ph.D

The department has released 8 batches of M.Com students and 65 Ph.D., degree holders and most of them have secured good and covetable placement in public and private sector establishments. The Department of Commerce is proactively engaging multi-disciplinary research and research projects that cover social science research like rural development, environment, health care, women studies, coastal research economics, irrigation, ground water and development commerce and biodiversity and climate change. The Department of Commerce, since its inception has been organizing national seminars annually and also conducts workshops, discussions, and symposiums with the active participation of faculty and students involving academicians and experts in the concerned areas. Theses academic discussions and discourses will enable the department to nurture and emerge as the most reputed post graduate study and research centre in India. There are Seven Student clubs functioning under the Centre for Extension Activities to inspire students to contribute to society through community services. Through these clubs students also get exposure to social realities which help to build a link between the student community and the wider community and helps in developing a social commitment.

#### 4. NAME OF THE COURSE

Master of Commerce

## 5. ATTENDANCE

A Candidate will be permitted to appear for the University examinations only if he/she secures not less than 75% of attendance in each subject during the semester.

## 6. COURSE OF STUDY

The total Number of courses shall be 27 including soft Skill, Internship and project work. The candidates shall take 18 core courses, 1 project work, 2 Elective courses, 2 supportive Course from other discipline, Soft skill papers -Internship) and 2 E- Learning courses compulsorily during the Course.

## 7. INTERNSHIP TRAINING

For internship the marks for the Report will be considered as Internal Component and will be evaluated on the following criteria during the conduct of the Viva Voce Examination.

## THE INTERNSHIP REPORT

## a) Faculty Guide (internal Examiner) :

1. Adherence to Report Format	: 05
2. Introduction	: 05
3. Extent of Coverage of the Plant / Various Functional areas	: 10
4. Learning from the Training	: 10
5. Adherence to Procedure and Schedule	: 10
6. Adherence to Suggestions by the Guide	: 10

**Note:** Adherence to the Procedure and Schedule and the Adherence to Suggestions by the Guide are the pre requisite for getting marks in other components of the marks awarded by the Faculty Guide.

b) External Examiner / A Panel of Examiners :

1.	Adherence to Report Format	: 15
2.	Introduction	: 05
3.	Extent of coverage of the Plant / Various Functional areas	: 15
4.	Learning from the Training	: 15

Every Student will have to undergo 45 days of Internship Training in any Corporate/Banking/Insurance/Auditing/Agencies/ establishments at the end of First Semester. The Report has to be submitted for evaluation during the II Semester

#### 8. RESEARCH PROJECT

For Research Project marks for the Report will be considered as Internal Component and will be evaluated on the following criteria during the conduct of the Viva Voce Examination.

#### a) Faculty Guide (Internal Examiner) :

1.	Adherence to Report Format	: 05
2.	Introduction	: 05
3.	Research Methodology	: 05
4.	Review of Literature	: 05
5.	Analysis and Interpretations	: 05

6.	Managerial Implication of the Project	: 05
7.	Identification of further scope for Research	: 05
8.	Adherence to Procedure and Schedule	: 10
9.	Adherence to Suggestions by the Guide	: 05

**Note :** Adherence to the Procedure and Schedule and the Adherence to components of the marks awarded by the Faculty Guide.

## b) External Examiner / A Panel of Examiners :

1.	Adherence to Report Format	: 05
2.	Introduction	: 05
3.	Research Methodology	: 10
4.	Review of Literature	: 05
5.	Analysis and Interpretations	: 15
6.	Managerial Implication of the Project	: 05
7.	Identification of further scope for Research	: 05

#### INTERNAL ASSESMENT

Continuous Internal Assessment Test (I Hour) : 15 Marks

PART - A Three Short Questions	: 3 x 1 = 3 marks
PART - B Answer 2 out of 3 Questions	: 2 x 3 = 6 marks
PART - C Answer One out of 2 Questions	: 1 x 6 = 6 marks
Note: Average of the Best Two out of Three	e Internal Tests will be considered.

## 9. SUPPORTIVE COURSE

The Department of Commerce offers two supportive courses for the Students of other Departments of this University & M.Com students also required to opt for Two Supportive course offered by the other department of this University through MOOC. These courses will have both Internal Assessment (25) and external Assessment (75) components and they are assigned three credits each.

		above 5 marks)
Total	25 Marks	
External Marks	75 Marks	
Total Marks (A+B)	100 Marks	

## Guidelines for Major Project/Internship:

The Following guidelines have been framed regarding the conduct/evaluation / structure of marks for the course on Major project/Internship project Report for M.Com program.

- Internship Project / Major Project is mandatory core course for every candidate
- Internship Project/ Major project should be an individual activity. Every student should prepare and submit report separately.
- Attendance Certificate from the Organization if any and Strict Adherence to the procedure, Schedule and suggestions offered by the Faculty Guide are pre-requisites for acceptance.
- Upon completion of the Project, the report has to be submitted in duplicate within the time stipulated by the project coordinator or the Head of the Department.
- The candidate shall have to make an oral presentation of his/her training/project report before a joint session of the faculty and students.
- The faculty shall evaluate the presentation and record of marks maintained. A consolidated mark list duly signed by the Head of the Department shall be sent to the Controller of Examinations to be incorporated in the mark statement of the ensuing semester.
- The average of the marks awarded by both internal and External Examiner(s) for the

Viva-Voce Examination will be treated as internal marks (50).

- The average of the marks awarded by the Guide as an internal examiner for 50 Marks and the External Examiner / a panel of Examiners as decided by the Department Faculty of 50 marks will be considered as External Marks. (50).
- All students are required to be present at the time of presentation. Their attendance will also be taken into account while awarding marks for their presentation.
- Any candidate who fails to defend his/her project/training report satisfactorily shall be to undergo training/take up a project afresh in the ensuing semester and defend it in similar manner as laid down above. The veracity/genuineness of the project work/training should be proved beyond doubt. If proved otherwise, a case of malpractice is to be reported and necessary action can be initiated as per the University norms.

The transitory provision is as follows: The student of this program has to complete the degree within 4 years (2years + 2Years) from the date of joining the course. After that period, one extension of one year can be applied for and obtained from the authorities of the University, on a case to case basis, in an extraordinary situation only. (Reference: UGC letter. DO No. 12-1/2015(CPP-II) dated, 15<sup>th</sup> October 2015.)

Corp	orate Social R	esponsibility of business. E	Ethical code – Company cod	es –	Rea	asons	for
ado	pting code of c	conduct – Conditions – Ber	nefits – Influencing Factors –	Co	de of	Ethio	cs.

UNIT – II	Ethical Issues	12 – Hours
Ethical Issues -	- Bribery and Corruption: Factors stimulate the growth of corr	uption – Causes –
Effects – Sugg	estion to deal with corruption – Fields of corruption, Revealing	g Trade Secrets of
a firm – Coerc	ion – Deception – Unfair Discrimination – Harassment – Vic	ctimization. Ethical
Management:	Ethical management model – Managing ethics in workplace	e – Key roles and
responsibilities	in ethical management – Strengthening personal and organiz	ational integrity.
UNIT – III	Corporate Governance	12 – Hours
Corporate gove	ernance – Need for and importance of corporate governance	<ul> <li>Benefits of good</li> </ul>
Governance -	Theories underlying corporate governance - Board of Director	s: Board structure
- Types of dir	ectors – Board's role and responsibilities - Role of non-exe	ecutive directors -
Diversity in bo	ard room – Board charter – Meeting and processes - Dire	ctors' training and
development -	Performance evaluation of board.	
UNIT – IV	Risk Management and Internal Control	12 – Hours
Risk and its cla	ssification – Risk evaluation - Risk Management and oversigh	nt – Enterprise risk
management	- Evaluation of key financial decisions - Internal conti	rol – Roles and
responsibilities	of internal control - Disclosure about risk -Evaluation o	f effectiveness of
internal control	- Director's Responsibility Statement - Going Concern State	us – Evaluation of
going concern	uncertainties.	
UNIT – V	Practices for Effective Corporate Governance	12 – Hours
Practices for E	ffective Corporate Governance: Common Practices – Effe	ective Leadership-
Communication	n Mission Statement- Whistle Blower Policy- Conflicts o	of interest policy-
Transparency-	Political contribution Policy- Financial Audits - Compe	etencies Policy –
Document Rete	ention Policy – Peer Bench Marking Policy – Corporate Social	Investment.

Course Cont	ent								
UNIT – I	INTRODUCTION TO ORGANISATIONAL BEHAVIOUR	12 – Hours							
Meaning and	d definition of Organization Behaviour - Scope - Basic	concepts of OB -							
Foundations	of OB- Challenges and Opportunities of OB – Role of organ	nisation behaviour -							
Determinants	<ul> <li>Challenges and opportunities of OB – Difference bet</li> </ul>	ween organisational							
behaviour an	d organization theory- Models of OB – Autocratic model –	· Custodial model -							
Supportive model – Collegial model.									
UNIT – II	INDIVIDUAL BEHAVIOUR AND MOTIVATION	12 – Hours							
Concept of	Human Behaviour – Characteristics Factors influencing In	dividual Behaviour-							
Personality-D	eterminants - Personality Traits- Perception – Process of p	erception – Factors							
influencing P	erception-Attitudes - values - Learning – Process of Learning	g - Reinforcement -							
Behaviour	modification- Motivation – Concept - Theories or models	of motivation- Need							
hierarchy, Th	eory X and Theory Y - Two factor theories.								
UNIT – III	GROUP BEHAVIOUR AND LEADERSHIP	12 – Hours							
Group - Fa	ctors influencing group behaviour- Norms-Cohesiveness-	Stages of Group							
Development	- Group Structure- Group Decision making- Teams- Types o	of teams- Group Vs							
Teams- Author	prity and Power –Sources of Power- Leadership- features – co	ncepts – qualities of							
good leaders	- Leadership styles- Theories of Leadership - Behavioural ap	proach - Situational							
approach – T	ransactional andtransformational Leadership.								
UNIT – IV	ORGANISATIONAL CHANGE, DEVELOPMENT AND	12 – Hours							
	STRESS MANAGEMENT								
Organizationa	al Change – Forces for change - Resistance to change- over	oming resistance to							
change - Typ	es of change – Revolutionary and evolutionary change- Grei	ner's five stages of							
organizationa	l growth- Organizational Development - Stress – Meaning	-Types of stress-							
Causes of S	Stress – Stress Management – Need- Techniques adopted for S	Stress Management.							
UNIT – V	ORGANISATIONAL CULTURE AND CONFLICT	12 – Hours							
Concept and	d determinants of organizational culture - Conflict – co	ncept – stages in							
organisationa	l conflict - functional and dysfunctional aspects of conflict -	· levels of conflict -							
Stimulation a	ndresolution of conflict.

Cours	se Content								

UNIT – I	INTRODUCTION OF QUANTITATIVE TECHNIQUES	12 – Hours							
Meaning of Q	uantitative Techniques – Role of Quantitative Techniques	<ul> <li>Advantages and</li> </ul>							
Limitations of	Quantitative Techniques -Classification of quantitative tech	niques - Scope of							
quantitative tec	chniques - Decision Making basics - Role of quantitative tech	iniques in business							
decision makin	g - Application of Quantitative Techniques in business.								
UNIT – II	PROBABILITY AND DISTRIBUTION	12 – Hours							
Concept of Pro	bability: Definitions of Probability - Addition Theorem of Prob	ability - Conditional							
Probability and Multiplication theorems of Probability - Baye's Theorem of Probability and its									
Applications - Theoretical Distributions - Binomial Distribution - Poisson distribution and Normal									
Distribution – th	neir Properties and Applications.								
UNIT – III	TESTING OF HYPOTHESIS	12 – Hours							
Concept of Tes	sting of Hypothesis - Types of Errors - Standard deviations a	nd Proportions - Z-							
test for Means - T-test - F-test for two variances and Chi-Square test for goodness of fit and									
independent of Attributes and their Applications - Confidence intervals.									
UNIT – IV	CORRELATION AND REGRESSION	12 – Hours							
Correlation – N	Aeaning - significance - types - Methods of Simple correlation	on - Karl Pearson's							
coefficient of c	orrelation - Spearman's Rank correlation - Regression - Mea	ning - significance;							
Regression vs	. Correlation - Linear Regression - Regression lines (X or	n Y, Y on X) and							
Standard error	of estimate. Multiple Linear Regression - Multiple Correla	ation Coefficients -							
Partial Correlat	ion Coefficient - Goodness of Fit of the model.								
UNIT – V	DECISION THEORY	12 – Hours							
Meaning – as	sumptions - features - steps in construction decision tree	-calculation of co-							
efficient of varia	ation of a project – standard deviation and variance of a projec	ct – Bayes' theorem							
- Different deci	sion criteria simulation-model building - areas of applicatio	on – queuing theory							
– meaning – ol	bjectives – limitations – elements of queuing system – queuin	ig models – waiting							
line situations.									
Note: Question	paper shall consist of 40% Theory and 60% Problems
