It was very good experience

Step 1. Encourage them( Even he/she did something wrong . Atleast they are trying their best . Don't make fun of their mistakes)

Step 2. Make things ease for students don't make it difficult

Step 3. Follows Step 1 and 2 .

Perfect

Update new version of books at the library.

Better teaching..

Provides study materials

Notes giving

1. Teachers must know students capacity
2. Teachers must help the students who are weak in their studies
3. Teachers must know whether the students understand or not because they are teaching by his knowledge, it is very difficult to understand the concept

Explain the concept using projectors

Make us to feel the concept lively

Try to make us to explore the availability and requirements

Use the projector to explain the concept it may help to understand the concept easily.

Provide Proper study materials

Provide updated books in the library.

- Encourage everyone to enjoy the subject.
- Repeated weekly test to improve our learning.
- Coaching for other competitive exams

Keep it up

Everything is good

- 1.They will make a conversation with their parents to easily identify their merits and demerits
- 2.They should provide a extra competition of making of photography and arts
3. The should make a more improved and advanced lab skills

1. To improve student aproach
2. To improve lab lab facilities
3. Dont ignore some person

Give more example related to the concept.

Make us to explore more related to subject

The University is doing the activities well.But the job opportunities should improve more through studying in University.
