Good teaching

Yes

All well,no more suggestions

Best teaching,
Qualified

All is well

1. Some teachers shows partiality to students
2. Don't compare one student with other students
3. Apart from teaching, no more events, IVs and field trips for few classes in the campus

Always good

Non

Good communication

Super

Null

Provide Opportunities to Learn
Improve Teaching Methods

The staffs were polite and kindly teaching with the Great Effort

All well ,no more suggestions

All well no more suggestions

The staffs teaching nicely

All well no more. Suggestions

The teacher teach with the Full effort

Best teaching
Qualified

Best teaching.
Qualified

Give some notes properly

All well no more suggestions

More Explanation but Satisfy result

Systematic planning of curricular and co curricular activities.
Expect more internship programmes to improve Scholastic area

Best teaching
Qualified

Nope

Need right level of challenges to per person knowledge, want us to prepare for world of worl

1.Encourage the students for extra curricular activities particularly Maths department

Somewhat means to be strict

Need to appreciate in extra curricular activities

Teaching with practical life
Developed extracurricular activities
Friendly wuth students

The teaching is effective

Experience professor allocate in our institution

-

Better to complete portions earlier rather than rushing in the last minute.
Can organise industrial visits or any other programs outside the campus.
Staff can me more interactive.

1.Good professors of in our university.
2.Very well teaching.
3.Nice placement.

Teaching Lesson for more examples

1.Proper way of planning and Informing about happening/cancellation of events and schedule of exams before a month
2.Increasing the due date for Library books from 15 days to 30 days
3.Making sure that students are permitted to a take break during break time so that they could listen to the classes effectively

Daily tests

Using more tools for teaching
Picture teaching method also

Increase the strength of the faulty (particularly in maths department)
Thank you...

Everything is good so no need

How to live in the world so I will understand in my institution.

To encourage students to get job with their interest in courses
To develop multi level programs in the departments
Every year at least one tourist place to visit for the betterment of students

Good
Very comfortable
Excellent teachers

By teaching jobs oriented subjects, technologically

- 1.Staffs need to know every student's strength and weakness to guide them..
- 2.Stimulate us to read many books...
- 3.Needs a friendly approach...

I am proud to study in this department

should increase field visit opportunities for development of our subject knowledge.

Hire more permanent staffs

All good at studies and every movements taken by the department are for the upgrade of the department

- 1) Conducting programs and seminar .
- 2) Try to involve the students in social activities.
- 3) Instruct the students to follow the rules and regulations strictly.

- 1.Cover the syllabus before on month of exam so that we don't have to rush at the last Month of exam.

Students should be motivated to participate in many competitions .they should be given regular tasks of presenting their ppt.English should be enhanced among students.

I don't know

Very excellent and good experience teacher's.

- 1) More internship opportunity should be provided
- 2) career counseling should be given
- 3)live experimental examples to explain the theory

Easy understanding
Guidelines
Confidence

Everything is perfect

To develop more career opportunities

No comments it's all good

Improve knowledge.
Learning many new concepts.
Skill based activities are excellent to improve myself.

Improve knowledge.
Skill based activities helps to improve myself.
Learning many concepts

Field trips and industrial visits

Planting more trees could improve the peacefulness of the campus

Use projector (smart) classes

Need Bus facilities

1)More Extracurricular activities should be included .
2)More seminar opportunities should be provided
3. Improve lab facilities

Verry good

Encourage students to participate in extracurricular activities

Over all its good

Teaching is excellent

-

To involve in many practical demonstrations

Very good leaning

Providing more opportunities and to enhance their innate skills
Providing more cantèen because its more time consuming to go and take refreshments
Conducting more skill oriented class for all the students

Enhance the soft skills

Please provide university transportation for students or make other arrangements in this regard.

It will be beneficial when the mess bill is cut or the standards are changed from N-4 to N-2.

Providing bus facilities

Most valuable effective Learning
Read alouds with discussions
Impompto sharing.

Lab specialities improvement

1) Separate libraries for arts,science department for easy accessibility.

Improve the availability of books in the library

Increasing books in library
